- Applicants cannot be an exhibiting supplier or a retired member.
- All scholarships are intended for chapter members who might not be able to attend the NEC without financial assistance. Chapter members whose agency or chapter would otherwise provide full funding for them to attend are not eligible.
- A member who has received a chapter scholarship in the past may apply, but might not be considered depending on the volume of applications submitted.
- Scholarships are distributed as chapter funding and budget allows, and at the discretion of the chapter board.
- Completed applications and all relevant committee reports will be presented to the chapter board for final review and approval. Applications without all the necessary documents will be considered incomplete and will not be considered.

Instructions/Process

The chapter scholarship committee will be composed of at least 3 members but no more than 5 (including the chapter president) who are not applying for a chapter scholarship. There must be at least one supplier and one planner on the committee.

The scholarship committee chair or chapter president will provide scholarship applications to members approximately three months prior to the National Education Conference, giving instructions for application and responsibilities of recipients.

Committee chairs must complete the Committee Member Report indicating level of involvement.

The committee will review the applications and supporting documentation, allocating points for each item and determining a score for each applicant. The scores determine who receives a scholarship and how funding will be allocated.

The committee's recommendations will be presented to the chapter board for approval.

The committee will notify recipients.

If the recipient cannot attend the conference and has received any advanced funds from the chapter, those funds must be repaid to the chapter within five (5) business days of notifying the chapter scholarship chairperson and/or president that the recipient will not be able to attend. All other pre-paid expenses will be refunded according to SGMP's National Education Conference refund policies.

The recipients must fulfill their responsibilities. Failure to do so will make them ineligible for future scholarships. The committee is responsible for ensuring that those responsibilities have been met.

This chapter application is standard for all chapters and may not be altered without the permission of SGMP's Education and Training Manager.
